Deck the halls with boughs of holly

I don't care about presents underneath the Christmas tree

The cattle are lowing, the baby awakes, But little Lord Jesus no crying he makes

I want to wish you a merry Christmas, I want to wish you a merry Christmas

Where a mother laid her Baby, In a manger for His bed:

Your soul is an appalling dump heap overflowing with the most disgraceful

Joyful and triumphant,

Think of all the fun I've missed, Think of all the fellas that I haven't kissed

Our finest gifts we bring

Look to the future now, its only just begun

Deep and crisp and even

And if you ever saw him

Yuletide carols being sung by a choir

But my one wish on Christmas Eve is as plain as it can be!

When they are both full grown

Laughing all the way

Du kannst mir sehr gefallen!

To save us all from Satan's power, When we were gone astray

Sleep in heavenly peace

Gloria, Hosanna in excelsis!

come, let us adore Him,

So be good for goodness sake!

From now on your troubles will be miles away

God and sinners reconciled
